

Disclaimer:

You should consult your physician or other health care professional before starting this or any other fitness program to determine if it is right for your needs. This is particularly true if you (or your family) have a history of high blood pressure or heart disease, or if you have ever experienced chest pain when exercising or have experienced chest pain in the past month when not engaged in physical activity, smoke, have high cholesterol, are obese, or have a bone or joint problem that could be made worse by a change in physical activity. Do not start any fitness program if your physician or health care provider advises against it. If you experience faintness, dizziness, pain or shortness of breath at any time while exercising you should stop immediately.

You should not rely on this information as a substitute for, nor does it replace, professional medical advice, diagnosis, or treatment. If you have any concerns or questions about your health, you should always consult with a physician or other health-care professional.

Release of Liability:

Because physical exercise can be strenuous and subject to risk of serious injury, I strongly urge you to obtain a physical examination from a doctor before using any exercise equipment or participating in any exercise activity. You agree that by participating in physical exercise or training activities, you do so entirely at your own risk. Any recommendation for changes in diet including the use of food supplements, weight reduction and/or body building enhancement products are entirely your responsibility and you should consult a physician prior to undergoing any dietary or food supplement changes. You agree that you are voluntarily participating in these activities and use of these facilities and premises and assume all risks of injury or illness.

I further agree to release, indemnify and hold harmless Svelte LLC, and Meredith Shirk from any liability whatsoever for future claims presented by my children for any injuries, losses or damages.
